Pursuant to 7.24 of SEBI Master Circular dated March 20, 2026 on Timelines for deployment of funds collected by AMC's in NFO as per asset allocation of the scheme, the Scheme is required to adhere the following:

- (a) The Scheme intends to deploy the Fund within 30 business days from the date of allotment as per the specified asset allocation.
- (b) The AMC shall deploy the funds garnered in an NFO within 30 business days from the date of allotment of units.
- (c) In an exceptional case, if the AMC is not able to deploy the funds in 30 business days, reasons in writing, including details of efforts taken to deploy the funds, shall be placed before the Investment Committee of the AMC.
- (d) The Investment Committee may extend the timeline by 30 business days, while also making recommendations on how to ensure deployment within 30 business days going forward and monitoring the same. The Investment Committee shall examine the root cause for delay in deployment before granting approval for part or full extension. The Investment Committee shall not ordinarily give part or full extension where the assets for any scheme are liquid and readily available.
- (e) Trustees shall monitor the deployment of funds collected in NFO and take steps, as may be required, to ensure that the funds are deployed within a reasonable timeframe
- (f) In case the funds are not deployed as per the asset allocation mentioned in the SID within the aforesaid mandated plus extended timelines, AMC shall:
 - (i) not be permitted to receive fresh flows in the same scheme till the time the funds are deployed as per the asset allocation mentioned in the SID.
 - (ii) not be permitted to levy exit load, if any, on the investors exiting such scheme(s) after 60 business days of not complying with the asset allocation of the scheme.
 - (iii) inform all investors of the NFO, about the option of an exit from the concerned scheme without exit load, via email, SMS or other similar mode of communication
 - (iv) report deviation, if any, to Trustees at each of the above stages.

(g) To effectively manage the fund flows in NFO, the fund manager may extend or shorten the NFO period (except for ELSS schemes), based on his view of the market dynamics, availability of assets and his ability to deploy funds collected in NFO. However, the same shall be subject to compliance with Paragraph 1.7.1 of Master Circular dated March 20, 2026

In terms of Paragraph 13.18.1 of SEBI Master Circular for Mutual Funds dated March 20, 2026, the cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the SEBI from time to time shall not exceed 100% of the net assets of the scheme.

Portfolio Rebalancing & Change in Investment Pattern

Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders

Portfolio Rebalancing due to passive breaches:

As per SEBI Master Circular for Mutual Funds dated March 20, 2026, and SEBI Circulars as amended from time to time, in the event of deviation from mandated asset allocation mentioned in the Scheme Information Document (SID) or various prudential limits prescribed by the SEBI, inter-alia, including issuer limits, sector limits, group limits or any other investment restriction prescribed under SEBI Regulations or circulars, due to passive breaches (i.e., occurrences of instances not arising out of omission or commission of the AMC), the Fund Manager shall rebalance the portfolio of the Scheme within thirty (30) Business Days from the date of such deviation. Where the portfolio is not rebalanced within thirty (30) business days, justification for the same shall be recorded in writing, including details of efforts taken to rebalance the portfolio and shall be placed before the Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of the mandated rebalancing period.

However, at all times the portfolio will adhere to the overall investment objectives of the Schemes. In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMC will:

- i. not launch any new scheme till the time the portfolio is rebalanced.
- ii. not levy exit load, if any, on the investors exiting the scheme

Reporting and Disclosure Requirements:

i. AMC shall report the deviation to Trustees at each stage. The reporting to Trustee shall be initiated immediately after the expiry of the mandated rebalancing period (i.e. 30 business days).

ii. In case the AUM of deviated portfolio is more than 10% of the AUM of main portfolio of scheme AMC shall immediately after the expiry of the mandated rebalancing period (i.e. 30 business days):

1. Disclose the same to the investors through SMS and email / letter including details of portfolio not rebalanced.
2. Communicate to investors through SMS and email / letter when the portfolio is rebalanced.
3. Subject line of the aforementioned emails / letters should clearly indicate "breach of" / "deviation" from mandated asset allocation or prescribed prudential limits.

iii. Scheme wise deviation of the portfolio, beyond the specified limits, from the mandated asset allocation beyond 30 business days shall also be disclosed on the website of the AMC

iv. AMCs shall disclose any deviation from the mandated asset allocation or prescribed prudential limits to investors along with periodic portfolio disclosures as specified by SEBI from the date of lapse of mandated plus extended rebalancing timelines.

The above mentioned norms for rebalancing shall be applicable to main portfolio only and not to segregated portfolio(s), if any.

Portfolio Rebalancing due to Short Term Defensive Consideration:

Any alteration in the investment pattern will be for a short term on defensive considerations as per para 1.9.1 (b) of SEBI Master Circular for Mutual Funds dated March 20, 2026; the intention being at all times to protect the interests of the Unit Holders. Please note that such alteration in the investment pattern will be rebalanced within the timeline mentioned above or such other timeline as may be prescribed by SEBI from time to time.

It may be noted that no prior intimation/indication will be given to investors when the

	composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.
Investment Strategy	The investment objective of the Scheme is to generate long-term capital appreciation by predominantly investing in equity and equity-related instruments of companies that are assessed to be trading at a meaningful discount to their intrinsic value, based on rule-based value factor methodology. The strategy is rooted in Factor-based investing, an investment approach that targets specific, well-defined stock characteristics — such as value, quality, low volatility, or momentum — that have been identified through extensive empirical research to drive long-term risk-adjusted returns. Within this broad philosophy, the Scheme focuses specifically on the Value factor. Value investing is a strategy that seeks to identify companies whose current market price does not fully reflect the underlying worth of their business — often because of short-term sentiment, business cyclicalities, or temporary headwinds. It relies on the principle that markets periodically underprice securities and that prices tend to correct toward fair value over a sufficient time horizon. This tendency toward mean-reversion forms the foundation of the value thesis. The Scheme employs a rule-based active investment framework driven by proprietary protocols designed to identify securities exhibiting strong value attributes. The value strategy is mathematically and quantitatively constructed to identify potential investment opportunities where a company's market price appears significantly lower than what its underlying fundamentals justify. The proprietary model may evaluate value through various indicative measures such as Price-to-Earnings (P/E), Price-to-Book Value (P/B), EV/EBITDA, Market Capitalisation-to-Sales, free cash flow yield, dividend yield, and Discounted Cash Flow (DCF)-based intrinsic value estimates, and other parameters as may be identified by AMC from time to time. These parameters may be assessed in relation to the company's own historical levels, its peer group, and the broader market, etc. While the scheme follows value factor based strategy, the Scheme also applies quality-based filters as an integral part of the portfolio construction process. These filters are designed to screen out companies with weak fundamental characteristics — a critical safeguard against value traps. Parameters assessed include, but are not limited to, Return on Equity (ROE), Return on Assets (ROA), leverage levels, cash flow stability, sales growth, and earnings growth. Only companies that demonstrate an acceptable quality threshold, in addition to meeting valuation criteria, are considered for inclusion in the portfolio. A low valuation does not always indicate a mispriced stock — it may also reflect genuine business or structural risks that impair a company's ability to recover to fair value. To address this, the strategy may incorporate a systematic risk scoring framework to assess each company's risk profile, going beyond valuation alone. Additionally, stock-level volatility filters may be applied alongside valuation assessment to ensure that only companies with a reasonable risk-reward profile are considered for inclusion. Together, these controls are designed to distinguish between genuinely undervalued companies and those carrying risks that may prevent value realisation. Within the identified universe of undervalued securities, indicators of improving price trend or strengthening earnings trajectory may be used as additional confirmatory inputs prior to initiating a position. Such signals are intended to improve entry timing and portfolio conviction and do not constitute a primary criterion for security selection.

	The fund is designed for investors with a long-term horizon and a moderate-to-high risk appetite i.e. investor with an investment horizon for atleast 5 years who are willing to participate in a systematic, valuation-driven strategy. Primary Risks: A key risk associated with value investing is the Value Trap, where a stock appears cheap but fails to recover because the underlying business continues to deteriorate or the trigger for value realisation does not materialise within a reasonable timeframe. The longer the market takes to correct a mispricing, the greater the holding risk and opportunity cost. Furthermore, value-oriented strategies may experience meaningful cycles of underperformance in the short to medium term — particularly during periods when growth or momentum themes dominate market sentiment. During such phases, a value portfolio may deliver returns below the broader market benchmark for an extended period, even when the underlying investment thesis remains sound. Investors are advised to maintain a sufficiently long investment horizon to allow the value thesis to play out. The strategy's integration of quality filters and risk scoring is specifically aimed at mitigating these risks and improving risk-adjusted returns over time. The portfolio is reviewed on a regular basis, and changes are made based on definite signals indicated by the proprietary model. While the approach is predominantly model-driven to ensure a systematic and unbiased process, the Investment Committee may exercise discretion in certain specific situations to ensure investment decisions remain aligned with the Scheme's objective. As markets evolve and data research becomes more sophisticated, the AMC retains the flexibility to modify or add to these factors, variables, and rules to better capture value opportunities and smoothen the return profile. For detailed derivative strategies, please refer to SAI.
Risk Profile of the Scheme	Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below: 1. Schemes investing in Equities: Equity and equity related securities are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the scheme to make intended securities purchases, due to settlement problems, could cause the scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme portfolio would result at times, in potential losses to the scheme, should there be a subsequent decline in the value of securities held in the scheme portfolio. Also, the value of the scheme investments may be affected by interest rates, currency exchange rates, changes in law/policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. The scheme may hold such securities for only a very short time, which could tend to increase the costs. Liquidity risk can be defined as inability of the fund manager to exit securities at their fair value in the secondary market whenever there is a need to generate cash. Equity and equity related instruments are subject to liquidity risk. Liquidity risk is generally observed to be elevated in mid and small cap stocks than in large cap stocks. The scheme may have some exposure to mid and small cap stocks which usually have a higher impact cost.

The scheme may invest in growth stocks which may be more volatile than the market in general and may react differently to economic, political and market developments and to specific information about the issuer.

Risk associated with investment in REITS and InvITs

Price-Risk or Interest-Rate Risk: REITs and InvITs run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.

Credit Risk: In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. REITs and InvITs are likely to have volatile cash flows as the repayment dates would not necessarily be pre scheduled.

Liquidity: As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc., the time taken by the Mutual Fund for liquidating the investments in the scheme may be long in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk. As these products are new to the market, they are likely to be exposed to liquidity risk.

Market Risk: REITs and InvITs are volatile and prone to price fluctuations on a daily basis owing to market movements. Investors may note that AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. The NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures. The scheme will undertake active portfolio management as per the investment objective to reduce the market risk.

Reinvestment Risk: Investments in REITs and InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in the form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns. However, the reinvestment risk will be limited as the proceeds are expected to be a small portion of the portfolio value.

Risk of lower than expected distributions: The distributions by the REIT and InvITs will be based on the net cash flows available for distribution. The amount of cash available for distribution principally depends upon the amount of cash that the REIT receives as dividends or the interest and principal payments from portfolio assets.

The above are some of the common risks associated with investments in REITs and InvITs. There can be no assurance that investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

2. Risks associated with the Scheme's rule based investment strategy:

The scheme selects securities using a rule based active approach based on proprietary protocols. These protocols are derived based on analysis of various market, macroeconomic and fundamental factors

described below. Based on the emerging information and analysis, these protocols / rules may change from time to time. There is no guarantee that these rules will generate higher returns compared to the benchmark.

Scheme specific risk pertaining to Value investment Strategy: A key risk associated with value investing is the Value Trap, where a stock appears cheap but fails to recover because the underlying business continues to deteriorate or the trigger for value realisation does not materialise within a reasonable timeframe. The longer the market takes to correct a mispricing, the greater the holding risk and opportunity cost. Furthermore, value-oriented strategies may experience meaningful cycles of underperformance in the short to medium term — particularly during periods when growth or momentum themes dominate market sentiment. During such phases, a value portfolio may deliver returns below the broader market benchmark for an extended period, even when the underlying investment thesis remains sound. Investors are advised to maintain a sufficiently long investment horizon to allow the value thesis to play out. The strategy's integration of quality filters and risk scoring is specifically aimed at mitigating these risks and improving risk-adjusted returns over time

3. Risk Associated with money market instruments :

Money market instruments includes commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity up to one year, call or notice money, certificate of deposit, usance bills, and any other like instruments as specified by the Reserve Bank of India

Price-Risk or Interest-Rate Risk: Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.

Credit Risk: In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in TREPS, Repo/Reverse Repo (in Government Securities), Treasury bills, Government securities (Issued by both Central and State governments) Government securities, there is relatively no credit risk to that extent.

Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today's characteristic of the Indian fixed income market.

Reinvestment Risk: Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.

Pre-payment Risk: Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.

Tri Party Repo through CCIL (TREPS): The mutual fund is a member of the securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the "Default Waterfall". As per the waterfall mechanism, after the defaulter's margins and the defaulter's contribution to the default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members. Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member). However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last recomputation of the Default Fund or specified amount, whichever is lower. Further, it may be noted that CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

4. Risks Associated with Trading in Derivatives :

Derivatives require the maintenance of adequate controls to monitor the transactions and the embedded market risks that a derivative adds to the portfolio. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Trading in derivatives carries a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme. Other risks in using derivatives include but are not limited to:

Counterparty Risk: This occurs when a counterparty fails to abide by its contractual obligations and therefore, the Schemes are compelled to negotiate with another counter party, at the then prevailing (possibly unfavourable) market price. For exchange traded derivatives, the risk is mitigated as the exchange provides the guaranteed settlement but one takes the performance risk on the exchange.

Market Liquidity: This is the risk that the derivatives cannot be transacted at prices that reflect the underlying assets, rates and indices.

Model Risk: This is the risk of mis-pricing or improper valuation of derivatives.

Basis Risk: This arises when the instrument used as a hedge does not match the movement in the instrument/ underlying asset being hedged.

The risks may be inter-related also; for e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the investment manager to identify such opportunities. Identification and execution of the strategies to be pursued by the investment manager involve uncertainty and decision of the investment manager may not always be profitable. No assurance can be given that the investment manager will be able to identify or execute such strategies.

Derivative trades involve execution risks, whereby the rates seen on the screen may not be the rate at which ultimate execution takes place. The option buyer's risk is limited to the premium paid. Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks. Risk of loss in trading in futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and potential high volatility of the futures markets. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risks associated with Covered Call Strategy

A call option gives the holder (buyer) the right but not the obligation to buy an asset by a certain date for a certain price. Covered calls are an options strategy where a person holds a long position in an asset and writes (sells) call options on that same asset to generate an income stream. The Scheme may write call options under covered call strategy, as permitted by the regulations. Risks associated thereto are mentioned below:

Opportunity cost: A covered call strategy limits the upside potential of the underlying stock. If the stock rises sharply, the gains above the call option's strike price will be missed out. When the underlying asset's price rises above the strike price, the short call loses its value as much as the underlying stock gains and as a result the upside of the stock always gets capped. Downside risk is reduced by writing covered call options.

Exit issues / Illiquidity risk: If the strike price at which the call option contracts have been written become illiquid, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity. Also, if covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately in case where the view changes to sell and exit the stock. The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme. This may restrict the ability of scheme to utilize options strategies. The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue. The Stock Exchange may impose restrictions on exercise of options and may also restrict the exercise of options at certain times in specified circumstances and this could impact the value of the portfolio.

The certain risk factors arising out of a derivative strategy may be as below: Lack of opportunity available in the market.

Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place. Exchanges could raise the initial margin, variation margin or other forms of margin on derivative contracts, impose one sided margin or insist that margins be placed in cash. All of these might force positions to be unwound at a loss and might materially impact returns

5. Risks Associated With Transaction in Units Through Stock Exchange Mechanism: In respect of transactions in Units of the Scheme through NSE and/or BSE or any other recognized stock exchange, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by NSE, BSE or such other exchange and their respective clearing corporations on which the Mutual Fund has no control. Further, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by NSE, BSE or such other recognized exchange in this regard. Accordingly, there could be negative impacts to the investors such as delay or failure in allotment / redemption of Units. The Fund and the AMC are not responsible for the negative impacts.

6. Risk of Securities Lending and Borrowing/ Short selling

A. Securities Lending and Borrowing:

Securities lending is lending of Securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent Securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the Securities borrowed.

There are risks inherent in Securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of the Securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the Securities, inability of the approved intermediary to return the Securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender in respect of the Securities lent. The Fund may not be able to sell such lent Securities and this can lead to temporary illiquidity.

B. Short selling

Short-selling is the sale of shares or securities that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the stock/security he shorted and returns the stock/security to the lender to close out the loan. The inherent risks are Counterparty risk and liquidity risk of the stock/security being borrowed. The security being short sold might be illiquid or become illiquid and covering of the security might occur at a much higher price level than anticipated, leading to losses.

7. Investments by the Scheme in other schemes: The Scheme may invest in other scheme(s) managed by the AMC or in schemes of other mutual funds, provided such investments are in conformity with the investment objectives of the Scheme and in accordance with terms of the prevailing SEBI Regulations.

Such investments in other schemes may provide the Scheme access to a specialised investment area or economic sector which can be more effectively accessed by investing in the underlying scheme(s). The Fund Manager will only make such investments if it determines in its discretion that to do so is consistent with the interests of the Unit holders of the Scheme. The Scheme may invest in schemes operated by third parties. Considering third parties are not subject to the oversight or control of the AMC, the Fund Manager may not have the opportunity to verify the compliance of such schemes with the laws and regulations applicable to them.

It is possible that a number of underlying scheme(s) might take substantial positions in the same security at the same time. This inadvertent concentration may interfere with the Scheme's goal of diversification. The AMC would attempt to alleviate any potential inadvertent concentration as part of its regular monitoring and reallocation process. Conversely the AMC may at any given time, hold

opposite positions, such positions being taken by different underlying scheme(s). Each such position shall result in transaction fees for the Scheme without necessarily resulting in either a loss or a gain. Moreover, the AMC may proceed to a reallocation of assets between the underlying scheme(s) and liquidate investments made in one or several of them. Further, many of the underlying scheme(s) in which the Scheme may invest could use special investment techniques or concentrate its investments in only one geographic area or asset investment category, which may subject the Scheme's investments to risks different from those posed by investments in equity or fixed income scheme(s) or risks of the market and of rapid changes to the relevant geographic area or investment category.

When the Scheme invests in other schemes, the Unit holders in the Scheme will also incur fees and expenses (such as, but not limited to, management fees, custody fees, registrar fees, audit fees, etc.) at the level of the underlying scheme in accordance with the offering documents of the relevant scheme(s) and the limits prescribed under the SEBI Regulations.

No assurance can be given that the strategies employed by other schemes in the past to achieve attractive returns will continue to be successful or that the return on the Scheme's investments will be similar to that achieved by the Scheme or other schemes in the past.

8. Risk of Changes in Borrowing Rates: The Scheme may borrow funds on a temporary basis within the limits set forth under the SEBI Regulations. The Scheme may choose to only borrow from the Custodian of the Scheme, and the borrowing rate imposed by the Custodian of the Scheme may change due to market conditions. As a consequence thereof, the borrowing rates imposed by the Custodian may not be the most competitive.

9. Risk Factors relating to Portfolio Rebalancing: In the event that the asset allocation of the Scheme deviates from the ranges as provided in the asset allocation table in this SID, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table within a period of 30 business days from the date of said deviation. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme within the stipulated period of 30 business days then the AMC would notify the Investment Committee of the AMC with appropriate justifications.

10. Risk Factors in case of Corporate Actions: In case the Scheme invests in stocks of companies outside the Index due to corporate actions, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table within a period of 30 days from the date of said deviation. However, if market conditions do not permit exiting the corporate action within this stipulated period of 30 days then the AMC would notify the Board of the Trustee Company and the Investment Committee of the AMC with appropriate justifications.

11. Valuation of the Scheme's Investments: The AMC carries out valuation of investments made by the Scheme. The AMC values Securities and assets in the Scheme according to the valuation policies described in the Statement of Additional Information.

12. Proxy Voting by the AMC: The AMC has adopted policies and procedures designed to prevent conflicts of interest from influencing proxy voting decisions that it makes on behalf of the Scheme, and to help ensure that such decisions are made in accordance with its fiduciary obligations to the Scheme. Notwithstanding proxy voting policies and procedures, proxy voting decisions made by the AMC with respect to Securities held by the Scheme may benefit the interests of AMC other than the Scheme.

	13. Risk factors associated with Creation of Segregated Portfolio: In the event of creation of Segregated Portfolio in case of a Credit Event, investors' investments may be subject to following risks: - Investor holding units of Segregated Portfolio may not be able to liquidate their holding till recovery of money from the issuer. - Listing of units of Segregated Portfolio on recognised stock exchange does not necessarily guarantee its liquidity. There may not be active trading of units on the exchange. Further trading price of units on the exchange may be significantly lower than the prevailing NAV. - Security comprising Segregated Portfolio may not realise any value. 14. Other Scheme Specific Risk factors: - Investment decisions made by the AMC may not always be profitable, even though it is intended to generate capital appreciation and maximize the returns by actively investing in equity and equity related securities as mentioned in the asset allocation pattern. Political Risks: Whereas the Indian market was formerly restrictive, a process of deregulation has been taking place over recent years. This process has involved removal of trade barriers and protectionist measures, which could adversely affect the value of investments. It is possible that the future changes in the Indian political situation, including political, social or economic instability, diplomatic developments and changes in laws and regulations could have an effect on the value of investments. Expropriation, confiscatory taxation or other relevant developments could affect the value of investments. - Although, the objective of the Fund is to generate optimal returns, the objective may or may not be achieved. The investors may note that if the AMC/Investment Manager is not able to make the right decision regarding the timing of increasing exposure in securities other than equities in times of falling equity markets, it may result in negative returns. Given the nature of the scheme, the portfolio turnover ratio may be on the higher side commensurate with the investment decisions and Asset Allocation of the Scheme. At times, such churning of the portfolio may lead to losses due to subsequent negative or unfavorable market movements. - The tax benefits available under the scheme are as available under the present taxation laws and are available only to certain specified categories of investors and that is subject to fulfillment of the relevant conditions. The information given is included for general purposes only and is based on advice that the AMC has received regarding the law and the practice that is currently in force in India and the investors and the Unitholders should be aware that the relevant fiscal rules and their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor/Unitholder is advised to consult his/her own professional tax advisor. For details on risk factors and risk mitigation measures, please refer SID.
Plans/Options	Plans: - Regular Plan - Direct Plan Option under each Plan(s) - Growth Option and - Payout of Income Distribution cum Capital withdrawal Option* (IDCW) *Amounts can be distributed under the IDCW option out of investors capital (equalization reserve),

The above expense structures are indicative in nature and are provided solely to help investors understand the various costs and expenses that may be borne, directly or indirectly, under the Scheme. **The actual expenses charged may be lower than those indicated above.**

Total Expense Ratio (TER) pursuant to regulation 67 of SEBI (Mutual Funds) Regulations, 2026:

Pursuant to the 2 (1) (aaa), Total Expense ratio means the ratio of total of all expenses charged to the investors of the scheme to the total asset under management of the scheme, as may be specified by SEBI.

(1) Total Expense Ratio charged to the investors of the scheme, shall be total of expense charged within the base limit specified under sub-regulation 7 of regulation 66, brokerage cost permitted under sub-regulation 9 of regulation 66, transaction cost incurred for the purpose of execution of trade as referred under sub-regulation 10 of regulation 66, and statutory levies charged to the investors.

(2) No charges other than the base expense ratio, brokerage cost, transaction cost, statutory levy and exit load including levies as may be specified by the SEBI, shall be charged to the investors.

Base expense ratio (BER) - The BER shall be charged to the schemes within the base limits specified under regulation 66 (7) of the MF Regulations, 2026.

The Base Expense Ratio (BER) is the sum of:

- a. Pursuant to sub-regulation (4) of regulation 66 of SEBI (Mutual Funds) Regulations, 2026 : Investment and Advisory fees
- b. Pursuant to sub-regulation (5) of regulation 66 of SEBI (Mutual Funds) Regulations, 2026: Recurring expenses
- c. Pursuant to sub-regulation (6) regulation 66 of the SEBI (Mutual Funds) Regulations, 2026: The asset management company shall pay charges or commission or fees related to distribution of mutual fund schemes in the manner as may be specified by the SEBI from time to time.

Pursuant to sub-regulation (7) of SEBI (Mutual Funds) Regulations 2026, the base expense ratio of the scheme shall be sum of expenses mentioned at sub-regulation (4), sub-regulation (5) and sub-regulation (6) but excluded statutory levy applicable, if any, on the said expenses and transaction cost specified under sub-regulation (10). Additionally, as per the regulation 66 sub-regulation (9), expenses charged towards brokerage, over and above the specified limit, shall be part of the base expense ratio limit specified under sub-regulation (7).

Investors are requested to note the following provision/definition as provided in SEBI (Mutual Funds) Regulations 2026 in relation to Brokerage cost, Transaction cost and Statutory levy.

- **Brokerage Cost (sub-regulation 9 of regulation 66)** – schemes may charge expense incurred towards brokerage, for the purpose of execution of trade, over and above the base expense ratio subject to a maximum of 0.06 per cent of trade value in case of cash market transactions and 0.02 per cent of trade value in case of derivatives transactions. Expenses charged towards brokerage, over and above the specified limit, shall be part of the base expense ratio limit specified.
- **Transaction cost (sub-regulation 10 of regulation 66)** incurred for the purpose of execution of a trade shall mean regulatory levies and any other expenses charged by the stock exchanges, clearing corporation, and clearing house, as applicable. Such transaction costs shall not form part of the base expense ratio.
- **Statutory levy (clause yy of sub-regulation 1 of regulation 2)** means levy imposed by state government and central government.

Pursuant to sub-regulation (2) of regulation 66 of SEBI MF Regulations, 2026, any expenditure in excess of the base limits specified in shall be borne by the asset management company or the trustees or sponsors. If any expense of the scheme is borne by asset management company or by the trustee or sponsors, the same shall be done only after the investment and advisory fees charged to the scheme, if any, is fully reversed.

	Disclosure of Total Expense Ratio: Please note that, in accordance with Clause 11.2 of the SEBI Master Circular dated March 20, 2026, the AMC shall prominently disclose on a daily basis, the TER (scheme-wise, date-wise) of all schemes under a separate head –“Total Expense Ratio of Mutual Fund Schemes” on its website, as well as on the website of AMFI in the downloadable spreadsheet format as per the prescribed format in this regard as updated from time to time. For details of the actual expenses charged, investors are requested to visit the website https://downloads.njmutualfund.com/downloads.php. Change in Base Expense Ratio ('BER'): Any change in the BER in comparison to previous base BER charged to any scheme/plan shall be communicated to investors of the scheme/plan through notice via email or SMS at least three working days prior to effecting such change. Further, the notice of change in BER shall be updated on the AMC website i.e. https://downloads.njmutualfund.com/downloads.php at least three working days prior to effecting such change. Provided that any change in BER in a mutual fund scheme due to change in AUM or any decrease in BER in a mutual fund scheme due to various other regulatory requirements shall not require issuance of any prior notice to the investors. Actual expenses for the previous Financial year: Not Applicable as it is a new scheme The maximum limit of recurring expenses that can be charged to the Scheme would be as per Regulation 66 of the SEBI (MF) Regulation, 2026. SPECIFIC TERMS & CONDITIONS FOR SIP AND BANK MANDATE

- The SIP (Systematic Investment Plan) and Bank mandate form should be completed in English and in Block letters only. Please tick (✓) in the appropriate box (✓), where boxes have been provided. The SIP and Bank mandate form, complete in all respects, should be submitted to any of the Official Points of Acceptance of Transactions.
- New Investors who wish to enroll for SIP are required to fill the Application form and one time Bank mandate form. New investors are advised to read the Statement of Additional Information (SAI), Scheme Information Document (SID) and Key Information Memorandum (KIM) carefully before investing.
- This mandate registration form will be submitted through National Automated Clearing House (NACH).
- This facility is offered to investors having Bank accounts in select banks mentioned in the link <http://www.npci.org.in/>. The Banks in the list may be modified/updated/changed/removed at any time in future entirely at the discretion of National Payments Corporation of India (NPCI) without assigning any reasons or prior notice. Standing instructions for investors in such Banks will be discontinued. The investor consents to agree to abide by the terms and conditions of NACH facility of NPCI. By signing this Systematic Investment Plan Application form, the Applicant(s) hereby authorises NJ Asset Management Private Limited (NJAMC), Investment manager to NJ Mutual Fund (NJMF) acting through their authorised service providers to debit the mentioned Bank A/c provided by NACH / ECS/Direct Debit Facility or any other facility for collection of SIP payments.
- Applicant acknowledges that NJ Mutual Fund, NJAMC or any of its associate / subsidiary / Sponsor /Directors/ Employees will not be liable in any manner whatsoever, for any transaction failures due to rejection by the investor's bank/branch, which is due to technical reasons or due to delay in registration of the NACH mandate.
- Investors are required to submit One Time Bank Mandate Form and SIP Enrollment Form along with a cancelled original cheque / self certified copy of blank cheque of Debit Bank Account (as mentioned on the One Time Bank Mandate Form) at least 30 calendar days before the first SIP Installment date for NACH Debit & Clearing. In case One time Bank Mandate form is already registered in the folio then the subsequent SIP registration request provided in the same folio will be processed within 12 calendar days.
- An investor can opt any day between 1 to 28 under Monthly frequency for SIP. If an investor does not mention SIP start date appropriately, the SIP will by default start from the subsequent month after meeting the minimum registration requirement of 30 calendar days or 12 calendar days as applicable. Starting from April 01, 2024, it is obligatory for investors to specify the SIP end date and NACH Mandate (OTM) end date, with a maximum allowable period of 40 years. Failure to provide the OTM End date or specifying an end date exceeding the 40-year limit will result in rejection. If an investor mentions the SIP end date or specifies an end date that falls beyond the OTM End date, the SIP duration will be considered up to the OTM end date.
- Minimum SIP Amount for all schemes except ELSS: Rs. 100 and in multiples of Re. 1 thereafter ELSS: Rs. 500 and in multiples of Rs. 500/- thereafter. An investor shall also have the option to enroll for more than 1 SIP in the same scheme, same plan and in the same month. Investors are requested to submit a separate form for each SIP enrollment. The investor can choose the SIP dates from 1 to 28 of any given month for SIP registered through One Time Bank Mandate. Please note that investors can opt for more than one SIP debit on the same day. If an investor does not mention SIP Date in the application form or multiple SIP dates are mentioned in the SIP Mandate or the SIP Date is unclear in the application form / SIP Mandate, the default SIP date shall be treated as 7th.
- In One time Bank mandate Investor's Signature must be as per bank records. Signature of all bank account holders required if the mode of holding in the bank account is "Joint".
- In case of minor application, NJMF / NJAMC will register standing instructions till the date of the minor attaining majority, though the instructions may be for a period beyond that date. Prior to minor attaining majority, NJMF /NJAMC shall send advance notice to the registered correspondence address advising the guardian and the minor to submit an application form along with prescribed documents to change the status of the account to "major". The account shall be frozen for operation by the guardian on the day the minor attains the age of majority and no fresh transactions shall be permitted till the documents for changing the status are received.

- AMC has rights to initiate Mandate cancellation in case the Mandate is dormant i.e. if there is no transaction in the Mandate for more than 6 months. The cancellation will be initiated by the AMC after sending an email intimation to the investors.

SIP Top-up Facility

It is a facility wherein an investor who is enrolling for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. Thus, an investor can progressively start increasing the amount invested, allowing them to gradually increase the investment corpus in a systematic manner.

- Top-up SIP facility can be availed by the investors, at the time of registration / renewal of SIP/ any time during the continuation of existing SIP by submitting the specified form in this regard. The SIP Top-up request shall be registered within 15 business days.
- The minimum SIP Top-up amount is Rs. 100 and in multiples of Rs. 1/- , For ELSS the minimum SIP Top-up amount is Rs. 500 and in multiples of Rs. 500/- .
- SIP Top-up facility can be availed at half yearly and yearly frequencies
- Default Top-up SIP Frequency and amount:
 - Frequency : Yearly frequency
 - Default Amount: Rs. 100 and in multiples of Rs. 1/- , For NJ ELSS Fund, the minimum SIP Top-up amount is Rs. 500 and in multiples of Rs. 500/- .
- In case the investor fails to specify both, i.e. the frequency for Top- Up SIP and amount for Top-up SIP, the application form may be processed as conventional SIP, subject to it being complete in all other aspects.
- SIP Top-up will start with a gap of 6 months or 12 months from 1st SIP installment for half yearly or yearly frequency respectively. If the end-date of the Top-up facility is not mentioned the Top-up facility will be continued up till the tenure of the SIP. For example, if the SIP is registered up till 2099, and the end date of the Top-up facility is not mentioned; then the Top-up will continue till 2099.
- SIP Top-up facility can be availed by the existing investors having SIP investment by providing a separate Top-up registration request. The First SIP Top-Up installment shall start from the next SIP installment date post SIP Top-up registration subject to completion of 6 SIP installments.
- The Top-up details cannot be modified once enrolled. In order to make any changes, the investor must cancel the existing SIP with Top-up option and enroll for fresh SIP with modified Top up facility details.
- The Load structure prevailing at the time of submission of the SIP application (whether fresh or extension) will apply for all the installments indicated in such application.
- SIP Top-up facility shall be available for SIP Investments through One time Debit Mandate (OTM). The amount of each such SIP installment cannot exceed the Daily One Time Mandate (OTM) limit for purchases in scheme(s) of NJ Mutual Fund from all modes (lump sum as well as SIP).
- The initial investment under the SIP Top-up will be subject to minimum SIP investment requirement applicable from time to time.
- All other terms & conditions applicable for regular SIP will also be applicable to Top-up SIP.

The Trustee / AMC reserves the right to change / modify the terms of the SIP from time to time on a prospective basis.

The 9-digit MICR (Magnetic Ink Character Recognition) number appearing next to the cheque number in the cheque leaf (Please attach copy of the cancelled cheque for verification) Based on the above information AMC will enable secure transfer of your redemption and IDCW PAYOUTS via the various electronic mode of transfers RTGS/NEFT/Direct Credit mode that are available in the banking system).

This facility of EFT is safe and fast and eliminates the potential risk of loss of instruments in transit through physical mode. The Mutual Fund, however, reserves the right to issue a cheque / demand draft to unit holders residing at locations where this facility is not available.

"If the remittance is delayed or not affected for reasons of incomplete or incorrect information, AMC cannot be held responsible". For validation of IFSC/MICR code, investor is required to attach the cancelled cheque/copy of cheque (PSU banks account holders to provide the front page of pass book along with cheque copy). If these documents are not provided the fund will not be responsible consequent delay in receipt of payment. Fund is also not responsible for bankers delay.

Amounts can be distributed under the IDCW option out of investors capital (equalization reserve), which is part of the sale price that represents realized gains. However, investors are requested to note that the distribution of the amount under the IDCW option is not guaranteed and subject to the availability of distributable surplus

10. NOMINATION DETAILS

Applicants investing in Units, either singly or jointly, can make a nomination at the time of the initial investment or during subsequent investments. However, nomination is optional in the case of joint holdings.

1. The nomination can be made only by individuals applying for /holding units on their own singly or jointly. Non-individuals including society, trust (other than a religious or charitable trust), body corporate, partnership firm, Karta of Hindu Undivided Family, holder of Power of Attorney cannot nominate, nomination is not allowed in a folio held on behalf of a minor. All holders will have to sign request for nomination or cancellation of nomination, even if the mode of holding is not joint. Nomination cannot be signed by Power of Attorney (POA) holders.
2. A minor can be nominated and in that event, the name and address of the guardian of the minor nominee shall be provided by the Unit Holder. Nomination can also be made in favor of the Central Government, State Government, a local authority, any person designated by virtue of his office or a religious or charitable trust.
3. A Non-Resident Indian can be a Nominee subject to the exchange control regulations in force, from time to time.
4. Nomination in respect of the units stands rescinded upon the redemption/ transfer/ transmission of units.
5. Unit holder can make nomination or change nominee any number of times without any restriction.
6. Unit holder are entitled to receive acknowledgement from the AMC / DP for each instance of providing or changing nomination.
7. Upon demise of the investor, the nominees shall have the option to either continue as joint holders with other nominees or for each nominee(s) to open separate single account / folio.
8. In case all your nominees do not claim the assets from the AMC / DP, then the residual unclaimed asset shall continue to be with the AMC in case of MF units and with the concerned Depository in case of Demat account.
9. You have the option to designate any one of your nominees to operate your account / folio, if case of your physical incapacitation. This mandate can be changed any time you choose.
10. The signatories for this nomination form in joint folios / account shall be the same as that of your joint MF folio / demat account. i.e.

- 'Either or Survivor' Folios / Accounts - any one of the holder can sign
- 'Jointly' Folios / Accounts - both holders have to sign

11. PREVENTION OF MONEY LAUNDERING AND KNOW YOUR CUSTOMER (KYC) According to SEBI Guidelines under 'The Prevention of Money Laundering Act, 2002',

Mutual Funds are required to follow enhanced know your customer (KYC) norms. Further, SEBI has also notified SEBI (KYC Registration Agency) Regulations, 2011 on December 23, 2011 with a view to bring uniformity in KYC requirements for the securities market and to develop a mechanism for centralization of the KYC records. Accordingly the following procedures shall apply:

SEBI has introduced a common KYC Application Form for all the SEBI registered intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investment Schemes, etc. New Investors are therefore requested to use the common KYC Application Form and carry out the KYC process including IPV with any SEBI registered intermediaries including mutual funds. The KYC Application Forms are also available on our website www.njmutualfund.com

The Fund shall perform the initial KYC of its new investors and may undertake enhanced KYC measures commensurate with the risk profile of its investors in line with the aforementioned circulars/circulars issued by SEBI in this regard from time to time. The Fund shall upload the details of the investors on the system of the KYC Registration Agency ("KRA"). The Registrar & Transfer Agent of the Fund viz. Kfin Technologies Private Limited ("Kfin") may also undertake the KYC of the investors on behalf of the Fund. On receipt of the KYC documents from the Fund, the KRA shall send a letter to the investor within SEBI stipulated timelines, confirming the details thereof.

Once the investor has done KYC with a SEBI registered intermediary, the investor need not undergo the same process again with another intermediary but can submit the letter/acknowledgment issued by the KRA.

It is mandatory for intermediaries including mutual funds to carry out IPV of its new investors. The IPV carried out by any SEBI registered intermediary can be relied upon by the Fund. NJ Asset Management Private Limited and NISM/AMFI certified distributors who are Know Your Distributor (KYD) compliant are authorized to undertake the IPV for mutual fund investors. Further, in case of any applications received directly (i.e. without being routed through the distributors) from the investors, the Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks.

Existing KYC compliant investors of the Fund can continue to invest as per the current practice. However, existing investors are also urged to comply with the new KYC requirements including IPV as mandated by SEBI.

Application Form not accompanied by KYC Application Form or letter/acknowledgment issued by KRA may be rejected by the Fund. The KYC compliance status will be validated with the records of the KRA. AMC reserves the right to call for any additional information from the investors/applicant/reject applications/subsequent application in order to fulfill the requirements of PMLA norms prescribed by SEBI/PMLA Regulation from time to time.

12. PURCHASE/REDEMPTION OF UNITS THROUGH STOCK EXCHANGE INFRASTRUCTURE

The investors may subscribe to the Units in the "Growth" option and "IDCW" option of the Scheme through Mutual Fund Service System ("MFSS") platform of National Stock Exchange of India Limited ("NSE"), "BSESTAR MF" platform of Bombay Stock Exchange of India Limited ("BSE") and Indian Commodity Exchange Limited (ICE) or any such other exchange providing Mutual Fund subscription facility, as and when units are available for transactions on such exchanges.

Please refer Scheme Information Document(s) of the Scheme(s) for further details.

13. Legal Entity Identifier

RBI vide circular dated January 2021 on "Introduction of Legal Entity Identifier for Large Value Transactions in Centralized Payment Systems" decided to introduce the LEI system for all payment transactions of value INR 50

INSTRUCTIONS TO INVESTORS FOR FILLING UP THE COMMON APPLICATION FORM

crores and above for Real Time Gross Settlement (RTGS) and National Electronic Funds Transfer (NEFT) from April 1, 2021. In view of the same it will be mandatory to include 20-digit Legal Entity Identifier (LEI) information while initiating any transaction of value INR 50 crore and above by entities (non-Individual) for purchase and redemption transaction.

14. TRANSACTION CHARGE IN RESPECT OF APPLICATIONS ROUTED THROUGH DISTRIBUTORS/ BROKERS

As per SEBI Circular No. SEBI/HO/MD/MD-PoD-1/P/CIR/2025/115 dated August 8, 2025, payment of transaction charges to distributors has been discontinued. Accordingly, no transaction charges will be deducted from lump sum purchase transactions or from new and existing SIP registrations, effective August 8, 2025.

15. Investors already holding a folio in NJ Mutual Fund can provide their existing Folio Number and Name of applicants(s) corresponding to the said folio. It is the responsibility of the Investor to ensure correctness of such details provided. The personal details and Bank Account details as registered in the existing folio number as provided would apply to the said investment and the registered details would prevail over any conflicting information furnished in this form. NJ Asset Management Private Limited reserves the right to assign any of the existing Folio Number of the investor against multiple applications and / or subsequent purchases under this new application form lodged, with identical mode of holding and address and such other criterions and integrity checks as may be determined by the NJ Asset Management Private Limited from time to time.

16. Employee Unique Identification Number (EUIIN):

SEBI has made it compulsory for every employee/ relationship manager/ sales person of the distributor of Mutual Fund products to quote the EUIN obtained by him/her from AMFI in the Application Form. EUIN, particularly in advisory transactions, would assist in addressing any instance of mis-selling even if the employee/relationship manager/sales person later leaves the employment of the distributor. Individual ARN holders including senior citizens distributing Mutual Fund products are also required to obtain and quote EUIN in the Application Form. Hence, if your investments are routed through a distributor please ensure that the EUIN is correctly filled up in the Application Form.

However, if your distributor has not given you any advice pertaining to the investment, the EUIN box may be left blank. In this case, you are required to provide a duly signed declaration to this effect. Distributors are advised to ensure that the sub broker affixes his/her ARN code in the column separately provided in addition to the current practice of affixing the internal code issued by the main ARN holder and the EUIN of the Sales Person (if any) in the EUIN space.

17. BENEFICIAL OWNERSHIP DETAILS:

Under the Prevention of Money Laundering Act, 2005 ("PMLA"), all intermediaries including mutual funds are required to obtain sufficient information from their clients in order to identify and verify the persons who beneficially own or control the account. SEBI circular dated January 24, 2013 on identification of Beneficial Ownership has prescribed a uniform approach to be followed for determination of beneficial owners. A 'Beneficial owner' is defined as a natural person/s who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, which includes persons who exercise ultimate effective control over a legal person or arrangement.

All categories of investors except individuals, company listed on a stock exchange or majority owned subsidiary of such company, are requested to provide details about beneficial ownership in the Application Forms for all their investments. The Fund reserves the right to reject applications/restrict further investments or seek additional information from investors who have not provided the requisite information on beneficial ownership. In the event of change in beneficial ownership, investors are requested to immediately update the details with the Fund/Registrar.

18. FATCA DETAILS:

FATCA and CRS requirements may require disclosure regarding your investment in the units of the Scheme. The Foreign Accounts Tax Compliance Act is a United States ("US") law aimed at prevention of tax evasion by US citizens and residents ("US Persons") through use of offshore accounts. The FATCA provisions were included in

the Hiring Incentive to Restore Employment (HIRE) Act, enacted by the US legislature. FATCA is designed to increase compliance by US taxpayers and is intended to bolster efforts to prevent tax evasion by the US taxpayers with offshore investments.

The Government of India and the United States of America (USA) have reached an agreement in substance on the terms of an Inter Governmental Agreement (IGA) to implement FATCA and India is now treated as having an IGA in effect from April 11, 2014. On similar lines the Organization of Economic Development (OECD) along with G-20 countries has released a 'Standard for Automatic Exchange of Financial Account Information in Tax Matters' commonly known as Common Reporting Standard ('CRS'). India is signatory to the Multilateral Competent Authority Agreement (MCAA) for the purposes of CRS. Under FATCA/CRS provisions, Financial Institutions are obligated to obtain information about the financial accounts maintained by investors and report to the local Government/ notified tax authorities. In accordance with FATCA and CRS provisions, the AMC / Mutual Fund is required to undertake due diligence process and identify foreign reportable accounts and collect such information / documentary evidences of the FATCA/CRS status of its investors / Unit holders and disclose such information (through its agents or service providers) as far as may be legally permitted about the holdings/ investment returns to US Internal Revenue Service (IRS)/any other foreign government or the Indian Tax Authorities, as the case may be for the purpose of onward transmission to the IRS/ any other foreign government pursuant to the new reporting regime under FATCA/CRS.

FATCA/CRS due diligence will be directed at each investor / Unit holder (including joint investor/Unitholder) and on being identified as a reportable person, all the folios will be reported. In case of folios with joint holders, the entire account value of the investment portfolio will be attributable under each such reportable person. An investor / Unit holder will therefore be required to comply with the request of the AMC / Mutual Fund to furnish such information as and when sought by the AMC for the AMC / Mutual Fund to comply with the information reporting requirements stated in IGA/MCAA and circulars issued by SEBI / AMFI in this regard. The information disclosed may include (but is not limited to) the identity of the investors/Unitholder(s) and their direct or indirect beneficiaries, beneficial owners and controlling persons. Investors / Unitholders should consult their own tax advisors regarding FATCA/ CRS requirements with respect to their own status.

The AMC/Mutual Fund reserves the right to reject any application/ freeze any folio(s) held directly or beneficially for transactions in the event the applicant/Untholder(s) fail to furnish the relevant information and/or documentation in accordance with FATCA/CRS provisions and as requested by the AMC/Mutual Fund.

The application form for FATCA/CRS self-declaration is also available on our website (www.nimutualfund.com)

19. Central KYC Records Registry (CKYCR):

The Government of India vide their Notification dated November 26, 2015 authorised the Central Registry of Securitisation Asset Reconstruction and Security Interest of India (CERSAI) to act as and to perform the functions of the Central KYC Records Registry under the said rules, including receiving, storing, safeguarding and retrieving the KYC records under the Prevention of Money Laundering Act, 2002. SEBI required all the market intermediaries to update/upload KYC details of the new customer/investors (not KYC-KRA compliant) on CERSAI's online platform. CERSAI is a centralized repository of KYC records of customers/investors in the financial sector with uniform KYC norms and inter-usability of the KYC records across the sector with an objective to reduce the burden of producing KYC documents and getting those verified every time when the customer/investors creates a new relationship with a financial entity. Central KYC (CKYC) will store all the customer/investor information at one central server that is accessible to all the financial institutions. After opening a KYC account under the CKYC, customer/investor will get a 14-digit identification number ("KYC Number") and that the same may be quoted by the investor who wish to invest in mutual funds. Further, the Mutual Fund/AMC is required to check whether the PAN of the investor has been updated in CKYCR. In case the PAN has not been updated, the Mutual Fund/AMC shall collect a self certified copy of the investor's PAN card and update/upload the same in CKYCR. In case the Investor uses the old KRA KYC form for updating of any KYC information, such investor shall be required to provide additional/missing information only by using the supplementary CKYC form or fill the new "CKYC form".

INSTRUCTIONS FOR FILLING ASBA APPLICATION FORM

- An ASBA investor shall submit a duly filled up ASBA Application form, physically or electronically, to the SCSB with whom the bank account to be blocked, is maintained.
 - In case of ASBA application in physical mode, the investor shall submit the ASBA Form at the Bank branch of SCSB, which is designated for the purpose and the investor must be holding a bank account with such SCSB.
 - In case of ASBA application in electronic form, the investor shall submit the ASBA Form either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for subscribing to units of Mutual Fund scheme authorising SCSB to block the subscription money in a bank account.
- Investors shall correctly mention the Bank Account number in the ASBA Application Form and ensure that funds equal to the subscription amount are available in the bank account maintained with the SCSB before submitting the same to the designated branch.
- Upon submission of an ASBA Form with the SCSB, whether in physical or electronic mode, investor shall be deemed to have agreed to block the entire subscription amount specified and authorized the Designated Branch to block such amount in the Bank Account. Request for withdrawal of ASBA application form made during the NFO Period shall not be allowed.
- On the basis of an authorisation given by the account holder in the ASBA application, the SCSB shall block the subscription money in the Bank Account specified in the ASBA application. The subscription money shall remain blocked in the Bank Account till allotment of units under the scheme or till rejection of the application, as the case may be.
- If the Bank Account specified in the ASBA application does not have sufficient credit balance to meet the subscription money, the ASBA application shall be rejected by the SCSB.
- The ASBA Form should not be accompanied by cheque, demand draft or any mode of payment other than authorisation to block subscription amount in the Bank Account.
- All grievances relating to the ASBA facility may be addressed to the AMC / R&TA to the Issue, with a copy to the SCSB, giving full details such as name, address of the applicant, subscription amount blocked on application, bank account number and the Designated Branch or the collection centre of the SCSB where the ASBA Form was submitted by the Investor.
- ASBA facility extended to investors shall operate in accordance with the SEBI guidelines in force from time to time
- An SCSB is a banker to an issue which is registered with SEBI and offers the facility of applying through the ASBA process. Please visit www.sebi.gov.in/pmd/scsb.html or www.nseindia.com or www.bseindia.com for the list of currently available SCSBs offering ASBA facility through their designated branches.
- Please do not enclose along with the ASBA Application Form, a cheque, or any mode of payment, as the ASBA Application Form contains an authorization to block the subscription amount in the Bank Account.

Other Information for ASBA Investors:

- SCSB shall not accept any ASBA after the closing time of acceptance on the last day of the NFO period.
- SCSB shall give ASBA investors an acknowledgment for the receipt of ASBAs.
- The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application. SCSBs shall unblock the bank accounts (i) for Transfer of requisite money to the NFO bank account against each valid application on allotment or (ii) in case the application is rejected.
- SCSB shall ensure that complaints of ASBA investors arising out of errors or delay in capturing of data, blocking or unblocking of bank accounts, etc. are satisfactorily redressed.
- SCSB shall be liable for all its omissions and commissions in discharging responsibilities in the ASBA process.
- All static details in our records would be taken from the demat account (DP ID) provided by you.
- Bank account details provided in the ASBA Application form will be used for refunding reject applications where DP ID is not matching
- ASBA facility is currently available only to those investors who wish to hold the units in dematerialized form.
